“Robin Parrish
is the kind of writer
who understands
how to entertain
from the word go.
His stories are
sure to shape fiction
for years to come.”
—Ted Dekker

Minneapolis, MN—Bending genre rules with his novels *Relentless* and *Fearless*, Robin Parrish brought superheroes to the Christian fiction scene. He now wraps up his revolutionary trilogy with *Merciless*. Following the rise and demise of one man with extraordinary powers, *Merciless* will have readers turning pages into the night.

From the earth's depths crawls a figure with skin like granite, flames for eyes, and the face of Grant Borrows: Oblivion has arrived.

Every clock around the world has stopped. Time has frozen. The Secretum have fulfilled the prophecy, unleashing on earth the most powerful being to walk the earth in thousands of years. His name is Oblivion and his touch is death. He can't be slowed. He can't be stopped. And he can't be killed.

Yet as long as any live who trust in hope and love and freedom, the fight is not over. But they have only one chance before he brings forth the Darkworld.

Oblivion is: Merciless

Praise for THE DOMINION TRILOGY:

“One thing is absolutely certain: these books will leave you breathless.
Highly Recommended.”
—*Christian Fiction Review*

“One thing's for sure—THE DOMINION TRILOGY should have a place
on any suspense fans' bookshelf next to Stephen King and Dean Koontz.”
