FOR IMMEDIATE RELEASE

“Robin Parrish is the kind of writer who understands how to entertain from the word go. His stories are sure to shape fiction for years to come.”
—*Ted Dekker, bestselling author of Showdown and House*

An Imaginative Can't-Put-Down Thriller from a Debut Novelist

Relentless by Robin Parrish

Minneapolis, MN—Exploding into the fiction market for the first time, Robin Parrish was making waves with *Relentless* long before it ever became a book. As editor-in-chief of the popular magazine *Infuze*, Parrish originally wrote *Relentless* as serialized chapters and posted them on the magazine's Web site. It became an instant hit with the thousands of *Infuze* visitors.

Now, *Relentless* makes its print debut—and it won't disappoint. From the very first sentence, Parrish seizes his reader's attention and won't let go until the very last page.

Grant Borrows' entire life has been fundamentally altered. There's another man in the world wearing his face and living his life. What's more, the man staring back from his mirror is a stranger. He discovers he has new abilities that he struggles to harness and finds himself in a web of intrigue involving an underground global conspiracy dating back over 7000 years. Grant must discover the truth about his own identity—not just for himself—but for the survival of the world as we know it.

“Grant Borrows stepped off the Metro bus on his way to work, and across the street he saw himself strolling down the sidewalk... reflected back at him [from a store window] was a man he'd never seen before.”—From Chapter 1

More Praise for *Relentless*:

“There's enough heart-stopping moments in *Relentless* to merit a trip to the cardiologist! Author Robin Parrish smartly provides more than just spine-tingling action, intricately weaving his tale around the universal questions of truth and purpose.”

—*Matt Bronleewe, award-winning music producer, author of forthcoming Illuminated*

“*Relentless* drew me relentlessly into the story... Never has the hero's journey been so tangled with conspiracies, secret organizations, age-old mysteries, and sword wielding assassins.”

—*H. Michael Brewer, author of Who Needs a Superhero? and Lessons From the Carpenter*

“Like high-octane jet fuel laced with pure adrenaline, Robin Parrish's *Relentless* is a potent cocktail of adventure and myth—guaranteed to keep you racing through pages long into the night.”

—*T.L. Hines, author of Waking Lazarus*

“Robin Parrish has given readers an excellent, different approach to a murder mystery book. Mr. Parrish has my endorsement for this, his initial, very imaginative foray into a difficult genre.”
